**STIPULATION**

1. By previous order, this matter was set for a status conference on October 31, 2023.
2. By this stipulation, Defendant David Warren Leheew now moves to continue the status conference until February 6, 2024, and to exclude time between October 31, 2023 and February 6, 2024 under Local Code T4.
3. The parties agree and stipulate, and request that the Court find the following:
  - a) The government has represented that the discovery associated with this case includes local and federal law enforcement reports, attachments, recorded interviews, phone extractions, and criminal history records, and that these materials have been produced to counsel.
  - b) Counsel for defendant desires additional time to review the discovery, review and discuss the discovery with their client, conduct defense investigation as it relates to trial and possible sentencing issues, discuss potential resolution options, and

otherwise prepare for trial.

- c) Counsel for defendant believes the failure to grant the above-requested continuance would deny them the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.
- d) The government does not object to the continuance.
- e) Based on the above-stated findings, the ends of justice served by continuing the case as requested outweigh the interest of the public and the defendants in a trial within the original date prescribed by the Speedy Trial Act.
- f) For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161, et seq., within which trial must commence, the time period of October 31, 2023 to February 6, 2024, inclusive, is deemed excludable pursuant to 18 U.S.C. § 3161(h)(7)(A), B(iv) [Local Code T4] because it results from a continuance granted by the Court at defendant's request on the basis of the Court's finding that the ends of justice served by taking such action outweigh the best interest of the public and the defendant in a speedy trial.
